- Universal silicone "X" band holds device firmly during transport
- Full access to all ports and buttons
- Secure elastic closure

**TUC20-8-DBLU-14E**

## Overview

The V7 Universal Folio fits all iPad mini and Tablet PCs between 7" to 8" and provides a stylish protective solution for the on-the-go professional. The folio's anti-slip inner lining allows your device to adjust to perfect viewing angle for watching movies, typing or video chat. You can easily access ports, and function buttons. The folio case offers your iPad mini or tablet PC excellent protection from dust, scratches, oily finger prints, and gentle impacts. The folio’s form fitting universal silicone "X" band and elastic closure strap will keep your tablet in place during transport. This case has anti-slip interior lining, providing protection from scratches. The hard outer cover comes in three colors of black, dark blue and red.
